***The newest film*** - Sacrifice & Survival is a heart-wrenching true-life crime saga about the men and women of law enforcement and their selfless acts of courage under fire. Produced in partnership with Craig Floyd and the National Law Enforcement Officers Memorial Fund, the second installment of this powerful documentary series takes place in various corners of America and follows the stories of two officers who paid the ultimate price, as well as the stories of three severely injured officers who are now battling through the painstaking process of recovery. The film also takes viewers to New York City's 9/11 Memorial site, where many officers perished on that fateful day in 2001, and to National Police Week in Washington, DC.

One of the film's producers, Bill Erfurth, is a retired Lieutenant of the Miami-Dade Police Department and a 25-year law enforcement veteran. For Erfurth, the project is a labor of love that he believes will create awareness about what it really means to walk the thin blue line.

**Bill will be joining us for these screenings.**
